If **you** do not want to renew this **policy**, simply return the **Certificate of Motor Insurance** issued with **your** renewal notice to **your** insurance advisor with clear instruction that **you** do not wish to renew.

If the **Certificate of Motor Insurance** is returned after the renewal date, the **policy** will be cancelled in line with the provisions of General Condition 7.

Protecting Your Car and Belongings

The following information is for guidance only; it does not form part of your policy

Remove the ignition key when you get out of the car, even when parking in your own drive or at a petrol station. Your policy may not cover you if your car is unoccupied with the keys inside it.

Never leave a door unlocked or a window or sunroof open, even when just going into a shop for a moment or two. Your policy may not cover you if you do not take reasonable precautions.

Don't leave any belongings in your car. A thief won't know that a bag or coat doesn't contain something valuable and might break a window to get at it. If you can't take them with you, lock them out of sight

Don't leave money, credit cards or cheque books in the glove compartment.

Never leave your car documents in the car; they could help a thief to sell it.

If you can, leave the car in a locked garage and lock your car and the garage. If you do not have a garage, try to park in a well-lit, open space.

At home, ensure your car keys are kept in a safe place, out of sight and away from windows and doors.

When parking in a public car park, look for one that is well supervised, with restricted entry and exit points, good lighting and security cameras. Wherever possible use Park Mark ® car parks – details of approved Park Mark ® car parks can be found on www.saferparking.com.

Etch the car's registration number on all glass surfaces – windows, sunroofs etc. Thieves don't want the expense of replacement.

If your car is not fitted with an alarm or immobiliser, consider fitting one which is Thatcham approved. Also think about fitting a tracking device especially if you have a high-performance or an expensive car.

Remember!

Your policy may not cover loss of your car, accessories or spare parts if your ignition key or card is in an unoccupied car
