Policy

Your car insurance policy

Complete with *Zurich HelpPoint* motoring assistance and car breakdown cover

Relevant to the entire policy

This policy is an agreement between you (the person shown in the schedule as the person insured) and us (Zurich Insurance plc) but is only valid if you pay the premiums. It is based on the information you gave us and confirmed to us during the application process or subsequently. Your policy provides the cover for the drivers and the insured car detailed in the schedule and for the sections detailed in the schedule for the period of insurance shown or a subsequent period where we have accepted payment. You must read the policy with your schedule and any specifications or endorsements as one single contract.

You must tell us immediately if any of the information on which this insurance is based changes, for example you or anyone covered by this policy being convicted of an offence or change of car or occupation. Failure to do so may result in your insurance no longer being valid and claims not being met. If in doubt about any change, please tell us.

If your policy or any of the information on which it is based changes, we will be entitled to vary the premium and terms for the rest of the period of insurance. You should keep a record (including copies of letters) of all information supplied to us in connection with this insurance.

If you change the insured car, the drivers or how you use the insured car, we may not be liable until we have issued a new schedule and either a cover note or certificate of insurance. If you make any changes to your car your insurance will not be valid until we have agreed to accept them.

Your policy is governed by the law that applies to where you reside within the United Kingdom, Channel Islands or Isle of Man. If there is any disagreement about which law applies, English law will apply in which case you agree to submit to the exclusive jurisdiction of the courts in England and Wales. Unless agreed otherwise, we will communicate to you in English.

Your policy provides cover in the United Kingdom for the people and car shown in the certificate of motor insurance for the period shown. For details of using your car abroad, see Section 14.

Wherever we refer to spouse in this policy, we mean your husband, wife or partner you live with as if you are married (including partners of the same sex).

Your cancellation rights

If you decide that you do not want to accept the policy (or any future renewal of the policy by us), please return the Certificate of Insurance to us or your insurance advisor using the contact details provided on the covering letter within 14 days of receiving it (or for renewals, within 14 days of your policy renewal date). We will only charge you on a pro rata basis for the time we have been on cover subject to a minimum premium of £15 (plus insurance premium tax). The balance of the premium will be returned to you but there will be no refund where you are cancelling the policy following a claim where the vehicle is a total loss and not being replaced.

Settling claims

For claims under Sections 4 and 5 of Part A of the policy, we will at our option either repair your car or make a cash settlement, which will not be more than your car's market value at the time of the loss or damage.

Nor will we make deductions if the claim is for the cost of replacement locks only.

- you or your spouse bought it new in the UK;
- it costs more than 60% of the manufacturer's retail price, including VAT, to repair it; and
- it is less than one year old from the date of its first registration as new, at the time of the loss.

Section 7 Repairs

Following a valid claim under Section 4 or 5 of the policy, we will pay the reasonable cost of taking your car to the nearest competent repairer and returning it to you when the repairs are complete.

We will make all claims payments under Section 4 or 5 of the policy to the legal owner if your car is under any contract or hire purchase agreement.

Section 9 Personal belongings

We will pay up to £250 for personal belongings that are stolen from or accidentally damaged in your car. We will also pay up to £200 for loss or damage to a wheelchair, child's pushchair, buggy or carrycot in your car.

Following an accident or damage caused to your car by fire or theft we will also pay for the cost of replacing a child's car seat fitted in your car with a new one of the same or similar model and standard.

We will pay up to £250 under Sections 4 and 5 for loss or damage to a luggage trailer, whether or not it is attached to your car at the time of the accident or loss.

Section 13 Windscreen cover

If the glass in the windscreen, windows or sunroof is damaged, we will pay for its replacement or repair including the repair of any resulting scratching of the surrounding bodywork. As long as there is no claim under any other section of this policy, any payment for glass replacement will not affect your no claims discount.

What you are not insured for

The first £80 of each claim. This will be reduced to £50 if you use Autoglass to arrange the glass replacement. You will not have to pay either of these amounts if the glass is repaired and not replaced.

Section 14 Using your car abroad

Your car is covered if you use it in European Union countries, as well as Croatia, Iceland, Norway, Switzerland and Liechtenstein, as long as your visit is not for more than 60 days.

Following a valid claim, we will also cover the cost of any foreign customs duty you must pay if loss or damage to your car prevents its return to the United Kingdom.

If after 60 days your vehicle does not return to the United Kingdom (unless we have agreed to extend cover in writing), cover will be limited to the minimum legal requirement to use your car in that country. The minimum requirements of United Kingdom law will apply if these are higher than those of the country you are using your car in.

What you are not insured for

Using your car in any country that is not listed above unless you have given us the details beforehand of the proposed trip and we have confirmed cover in writing.

Section 15 Loss of licence

If your car is declared a total loss following a valid claim, we will pay for any road tax that is still left that you are not able to recover from the licensing authorities.

Section 16 Car-sharing

If you are paid as part of a car-sharing arrangement for social or other similar purposes, we will not consider this as 'carriage for hire and reward' as long as:

- the vehicle is not built or adapted to carry more than eight passengers; and
- you do not profit from the contributions you receive for the journey.

Section 17 Courtesy car cover

We will provide policy cover in the United Kingdom for:

- a car we give you temporarily after an accident; and
- a car your motor trader gives you, up to 1700cc, while your car is in a garage for service or repair.

A courtesy car will be provided to you while damage to your own vehicle is being repaired by one of our approved repairers following an accident or theft. Please refer to your *Zurich HelpPoint* Assistance booklet for full details.

Section 18 Out of use

If you tell us that your car is in a garage and not being used, we will suspend the policy (except for Section 4) from the date we receive the current certificate of insurance.

Section 19 Emergency overnight or travel expenses

We will pay you (and any person travelling in your car) up to £40 for any necessary overnight accommodation or to travel home if your car is stolen or damaged as a result of an accident covered by this policy.

Parts C to F of this policy are managed on behalf of Zurich by Green Flag Motoring Assistance.

Cover under these parts only applies if they are shown in your current policy schedule.

Other information

For each claim free year we will give you a discount until you reach the maximum level. If you do make a claim the number of claim free years on which the discount is based will be as in the following table:

Claim-free years	Next renewal no-claims discount		
	First claim	Second claim	Third or more
1	Nil	Nil	Nil
2	Nil	Nil	Nil
3	1 year	Nil	Nil
4	2 years	Nil	Nil
5 or more	3 years	1 year	Nil

Uninsured Drivers

If you make a claim following an accident and the driver of the other car is not insured you will not lose your no claim discount or have to pay any excess provided:

- we establish that the accident is not your fault
- you give us the other vehicle's make, model and registration number, and
- the name and address of the person driving the other vehicle.

You may have to pay your excess when you first claim and may also temporarily lose your no claim discount. If subsequently we are satisfied that the accident was not your fault we will repay your excess, reinstate your no claim discount and refund any premium which may be due to you.

Part B Uninsured loss recovery and legal expenses

If you (for the purposes of this part you means yourself or any person driving or travelling in your car with your permission) have a motor accident in the United Kingdom (or a country listed under section 14) that is insured by this policy and it is not your fault, we will help you get back your uninsured losses and claim resulting damages or compensation (or both) for death or personal injury.

We will pay your reasonable legal costs and fees for each accident up to £100,000 (less any legal costs and fees you have already claimed back) if we have agreed beforehand to the purpose and

amount of these expenses. You must claim back all the legal fees and expenses you are entitled to. We will set these against payments we make under this part of the policy.

Before legal proceedings are issued, we will appoint a legal representative to act for you. If legal proceedings need to be issued, you may choose your own legal representative if we approve them. If we cannot agree on a legal representative, we will ask the Law Society to choose a legal representative, which we must both accept. We are entitled to get any information from the legal representative.

It is a condition of this cover that you take all reasonable precautions to reduce the amount of legal costs and fees you must pay for.

What you are not insured for

Any legal costs and fees if:

- the accident is caused by a fault in your car;
- you instruct a legal representative without our agreement beforehand;
- you report a claim to us more than 180 days after the accident;
- we consider that the continuance of your claim does not have a reasonable prospect of success, or that the legal costs and fees are not in proportion to the amount you are claiming;
- they arise in a dispute that you have with us;
- you act against our advice or the advice of the legal representative appointed;
- you unreasonably withdraw from the legal proceedings or your claim is settled or discontinued without agreement beforehand;
- the legal representative refuses to act for you; or
- legal costs and fees incurred by you against the driver or another occupant of your car at the time of the accident.

If there is a disagreement between you and us, we and you may agree on an arbitrator. If we cannot agree, the Law Society will name an arbitrator and their decision will be final.

Part C Breakdown assistance and recovery

We will provide, in the United Kingdom, up to 30 minutes' roadside assistance if your car breaks down, has a puncture (as long as the spare wheel is available) or runs out of fuel, or if you lose your car keys more than 1/4 mile from your home.

If the car cannot be repaired at the roadside, it will be taken, together with the driver, up to seven passengers and any standard make of caravan or trailer you are towing, to the nearest garage within 25 miles for it to be repaired at your cost. (A standard make is up to 7 metres long, 3 metres high, 2.25 metres wide and not weighing more than 3.5 tonnes when loaded).

What you are not insured for

- The cost of replacement fuel or spare parts.
- Assistance or recovery within 1/4 mile of your home address.
- Any storage charges, toll fees or ferry charges.
- Damage caused by getting into your car if you have lost your car keys.
- Recovery or repair of a trailer or caravan if it contains an animal or person.
- Help if your car is immobile (cannot be driven) because of the surface it is on, for example, sand, mud or grass.

If temporary repairs are made, you must get the vehicle permanently repaired as soon as possible.

If your car is not easy to get to, or we have to use specialist equipment, you may have to pay any extra costs.

We may choose to repair your car (at your cost) following a breakdown, rather than arranging for it to be recovered.

Part D Home-Call

Your policy is extended to include breakdown cover, as provided under Part C, at your home address or within 1/4 mile of your home.

Part E Nationwide breakdown recovery service

The breakdown cover under Part C is extended to include the following:

1 Recovery service

If your car cannot be repaired, we will recover your car, trailer, driver and up to seven passengers to their home address or the intended destination in the United Kingdom. We will then take your car to a local repairer of your choice within 25 miles.

2 Chauffeur service

If your driver is taken ill and nobody is qualified to drive your car, we will give you a chauffeur to help you complete your planned journey or return you home.

Part F European breakdown and accident assistance

The breakdown cover under Part C is extended to provide cover while the vehicle is being used within the countries listed in Section 14 of Part A of this policy other than the United Kingdom. The following cover is also included:

1 Loss of use of your car

If your car cannot be used for more than eight hours, or is stolen and not recovered within eight hours, we will pay for one of the following.

- Up to £750 towards the cost of hiring another car until your car is repaired.
- The cost of transporting you and your luggage to your destination and then returning you to your car following its repair.
- Up to £45 for each person a day for up to five days for reasonable accommodation expenses.

We cannot guarantee that hire cars will always be available or will be fitted with a roof rack and towbar. You:

- are responsible for the cost of fuel and other expenses necessary to continue your trip; and
- must keep to the conditions of the hire company.

What you are not insured for

If you lose your deposit because the hire car is damaged, or because you do not put more fuel into the hire car.

2 Returning your car to the United Kingdom

If your car cannot be repaired, or is stolen and not recovered by your expected departure date or is recovered after you have returned to the UK, we will pay:

- the cost of transporting you and your luggage to your home in the United Kingdom;
- the cost of transporting your car to your home or repairer of your choice in the United Kingdom, or up to £600 for you or a driver of your choice to return from the United Kingdom to collect your car; and
- up to £100 for storing your car abroad.

The most we will pay to return your car will be its current market value in the United Kingdom.

3 Chauffeur service

If your driver is taken ill and nobody is qualified to drive your car, we will give you a chauffeur to help you return home if everyone is medically fit to travel. We will also pay, for up to five days, £45 for each person a day to cover reasonable accommodation expenses.

4 European motorways

If the police arrange for an independent garage to recover your car, we will pay the costs of this. Please keep your receipt.

5 Defence up to £10,000

We will pay up to £10,000 that you have run up with our permission, to provide a defence in criminal proceedings against the driver of your car due to a road traffic accident.

What you are not insured for

- Alleged speeding offences when no other offence is involved.
- Our costs or expenses which we have not authorised beforehand.
- Fines awarded against you.

6 Advance of funds

We will make available up to £4,000 for bail or any other security needed following a car accident or if the driver is stopped. You must repay this within one month.

7 Delivering spare parts

If we cannot get the necessary spare parts locally, we will arrange to get them from the UK as long as they are available. You must repay us the cost of the parts and any customs duty within one month.

What you are not insured for

Costs you would normally have as part of your journey.

Zurich Motoring Assistance & Rescue Service is underwritten by Zurich Insurance plc and provided by Green Flag Motoring Assistance.

Conditions which apply to this policy

- 1 You must do all you reasonably can to prevent loss or damage to your car and maintain it in a roadworthy condition.
- 2 Everyone covered by this policy must follow the policy terms and conditions. All drivers must have a valid driving licence and follow the conditions of their licence.
- 3 If, by law, we must make a payment that is not covered by the policy, we have the right to recover this payment from you or the person who is liable.
- 4 You must tell us immediately about any accidents, claims or legal proceedings in connection with this policy, and give us all the information and help we may need. You must send any writ or summons to us immediately it is received. We will decide how to settle or defend a claim, and may carry out proceedings in the name of any person covered by the policy, including proceedings for recovering any claim.
- 5 You have the right to cancel the policy at any time by telling us, either in writing or over the phone using the contact details set

out in your covering letter. We may cancel the policy by giving you seven days notice to your last known address. By law, you must return the certificate of motor insurance to us. If you do not return the certificate we may seek to recover it through the services of a third party recovery agent.

If you cancel your policy within 14 days of receiving it (or for renewals, within 14 days of your policy renewal date) we will charge you on a pro rata basis for the time we have been on cover subject to a minimum premium of £15 (plus insurance premium tax). The balance of the premium will be returned to you but there will be no refund following a claim where your car is a total loss and not being replaced.

If you cancel at any other time, we will charge you on a pro rata basis for the time we have been on cover and pay any refund due to you. We will deduct a £50 administration fee from this refund if you cancel your policy within the first year. We will not refund any premium if we have paid a claim or one is outstanding when you cancel the policy.

If you fail to pay your premium we may cancel your policy and refuse your claim or take the balance of any outstanding premium due to us from any claim payment we make to you. This may mean that we fulfil our obligations to any claim against your policy by a third party but seek full recovery of any sum made under your policy directly from you. This may include the instruction of solicitors or other recovery agents.

If you have purchased additional Zurich breakdown cover and you cancel this cover more than 14 days after receiving the policy, independently to your policy, there will be no refund.

- 6 If a claim is fraudulent or false in any way, we will not make any payment under the policy and all cover will end.
- 7 We will not make any payment if there is cover under any other policy.
- 8 You must report any theft, attempted theft or malicious damage to the police immediately.

- 9 If you pay the premium to us using our (or associated) Direct Debit instalment scheme we will have the right (which we may not use) to renew the policy each year and we will continue to collect premiums using this method. We may vary the terms of the policy (including the premium) at renewal. If you decide that you do not want us to renew the policy, as long as you tell us before the next renewal date, we will not renew it.

Our right to renew this policy does not affect your cancellation rights detailed elsewhere on pages 2 and 8 of the policy.

Exclusions which apply to this policy

We will not pay for any claims arising from the following:

- 1 Your car being driven or used by any person or for a purpose that is not covered by your certificate of insurance.
- 2 War, invasion or civil war, except as necessary to meet the requirements of the Road Traffic Acts.
- 3 Riot or civil commotion outside Great Britain.
- 4 Pressure waves caused by aircraft travelling at the speed of sound, or faster.
- 5 Ionising radiation, radioactivity, nuclear fuel, nuclear waste or nuclear equipment.
- 6 Using a car in any area used by aircraft or for servicing aircraft.
- 7 A contract that says you are liable for something which you would not otherwise have been liable for.
- 8 Pollution or contamination unless it is directly caused by a sudden identifiable, unintended and unexpected incident and it occurs entirely at a specific time and place during the period of insurance.

Zurich offers you quality assurance via our approved network because our repairers only use original manufacturer's parts (excluding glass).

You can be confident in our Zurich approved repairer network that guarantees bodywork repairs for three years. As a bonus we'll even collect and return your car, if you use our Zurich approved repairer network.

While your vehicle is being repaired by our approved repairer network, you'll need to be able to get around. So, we'll deliver you a courtesy car and collect it again when your car is ready.

If your brand new car is written off within 12 months of its first registration we'll supply you with another brand new car just like the one you had.

Not knowing what's going on can be really unsettling if you're making an insurance claim. That's why we always keep you up-to-date with key developments on your claim.

If you have an accident, and have a child seat in the car, we automatically replace it, whether it is directly damaged or not.

Whether you're caught up in an emergency situation or simply juggling family, career and a busy schedule, we'll make sure you can contact us easily by phone, mail or email (24/7 for emergency assistance or accident reporting).
