We will provide the services and benefits on the basis of the details You have supplied and subject to the following terms, conditions and exclusions, together with any applicable endorsements, all of which We recommend You read carefully, to ensure this Policy meets Your individual requirements.

This policy is underwritten by Europ Assistance Insurance Limited, Sussex House, Perrymount Road, Haywards Heath, West Sussex RH16 1DN UK. THE AIMS OF THIS INSURANCE

This insurance is a Home Emergency Policy and not a Household Buildings or/ Contents Policy. It should complement Your household insurance policies, and provide benefits and services which are not normally available under these policies.

This Insurance does not cover normal day-to-day Home maintenance which You should carry out or pay for, such as attention to items which tend to gradually wear out over a period of time, or need periodic attention, for example the descaling of the central heating pipes or the replacement of tap and cisterns washers.

What We undertake to do is provide rapid, expert help if You suffer a Home Emergency arising from an incident covered under the policy. We will arrange for one of Our Repairers on Our nationwide list of approved tradesmen to attend and take action to stabilise the situation and remove the emergency.

MEANING OF WORDS

Wherever the following words and phrases appear in this Policy they will always have these meanings:

Emergency Repairs: Work undertaken by a Repairer to resolve the Home Emergency by completing a temporary repair which will resolve the emergency but will need to be replaced by a permanent repair to put right the damage caused to the property by the emergency. A permanent repair will be carried out only if it can be undertaken on the first visit and would cost no more than a temporary repair.

Geographical Limits: The mainland of Great Britain plus the Isle of Wight, Isle of Man and Northern Ireland.

Home: The structure of Your Park Home which is occupied by You and Your Family as a private dwelling, and situated within the Geographical Limits at the address shown on the Policy Schedule.

Home Emergency: A sudden unexpected event occurring during the Period of Insurance, involving Your Home which, in Our opinion, exposes the Insured Persons or a third party to a risk to their health, or necessitates immediate remedial action to render the Home safe or secure, and avoid damage or further damage, or restoration of the Main Services.

Insured Person(s) or You/Your: The person named on the Policy Schedule, together with the members of Your household normally residing with You. In Your absence on a trip away from Home, the person duly authorised by You as the keyholder responsible for the Home.

Main Services: Mains drainage to the boundaries of the Home, water, electricity and gas within the Home and the main source of heating or hot water where no alternative exists.

Period of Insurance: The period shown on Your Policy Schedule which shall be at least 28 days following the date the Policyholder first applied and the application was accepted for cover.

Repairer: Repairs will only be carried out by approved and authorised tradesmen of Europ Assistance.

We, Our or Us: Europ Assistance Holdings Limited, Sussex House, Perrymount Road, Haywards Heath, West Sussex RH16 1DN.

What is covered

If a Home Emergency occurs, We will arrange for a Repairer to assess the situation and carry out Emergency Repairs in the event of:

1. Burst pipes or sudden leakage likely to cause damage to the Home or its contents.
2. Break-in or vandalism reported to the Police (a crime number should be obtained for further reference), which compromises the security of the Home.
3. Failure of Your domestic water mains supply, Your gas supply, electricity (on the domestic side of the supply authority's main fuse), blockage or breaking or flooding of drains or sewers, or failure of Your domestic hot water heating.
4. Total failure of Your central heating during adverse weather conditions, causing in Our view, unreasonable discomfort or risking frost damage to the Home.
5. A leakage caused by a smashed toilet bowl or cistern. Breakage of the cistern internal mechanism which prevents flushing and creates an emergency as there is no other toilet in the Home.
6. Pest Infestation meaning the removal of wasp nests, field and house mice and brown rats within the Home.

For each claim We will pay up to a maximum of £500 (including VAT), for Emergency Repairs (or a permanent repair if it is a similar cost) to stabilise the situation and remove the emergency or to restore the normal operation of the boiler or warm air unit, comprising call-out, labour, parts and/or materials. Within any one Period of Insurance, the maximum We will pay under this Policy is £1,500 (including VAT).
