Cover shall only be provided where **we** have given **our** prior written **approval** to the pursuit of the **claim** before any legal proceedings have commenced.

Approval will be given if there are **reasonable prospects** that the **claim** will be successful and that it can be pursued in a proportionate manner. If this is not the case, **we** may decline cover.

In determining whether a **claim** can be pursued in a 'proportionate manner' **we** will consider whether a person would consider the costs reasonable, if they did not have legal expenses insurance, and were financing their own legal costs. **We** will consider points including:

- the amount being claimed;
- the value and issues in question of the **insured person's** case;
- the **insured person's** location and that of the other party;
- the legal costs and expenses **we** would expect a **legal representative** appointed by **us** to charge.

- 7) Any **adverse costs** or **fees and expenses** arising out of any proceedings other than those that **we** have **approved** in writing;
- 8) Any **adverse costs** or **fees and expenses** which were incurred after any breach of the terms and conditions of this **policy**;
- 9) Any **adverse costs** or **fees and expenses** which were incurred as a result of the failure of an **insured person** to discharge their obligations under this **policy**;

- 20) **Claims** where the **legal representative** has refused to continue to represent the **insured person** with good reason, or where the **legal representative** has been instructed to cease acting on the **insured person's** behalf by anyone other than **us**;
- 21) Where the **insured person** has disregarded **our** advice to accept a **Part 36 offer** to settle a **claim**;
- 22) Where **we** have advised the **insured person** that their **claim** would be best settled by other means than the issue of legal proceedings in a court of law within the United Kingdom.
- 23) Any **adverse costs** awarded as a result of the unreasonable behaviour (as determined by the Courts) of the **insured person** or their **legal representative**. Please refer to the General Conditions section for details of what **we** expect the **insured person** and **legal representative** to do in the event of a **claim**.

Legal expenses

The following conditions apply to this **policy**:

- a) Where **you** are an **insured person**, **you** must comply with the “**insured person’s responsibilities**” (**Policy Condition 2**).
- b) Where **you** are not the **insured person** in the **claim** in question, then it is a condition of this **policy** that **you** must:
 - i) allow **us** and the **insured person** to comply (without hindrance) with the provisions under this **policy**; and,
 - ii) ensure that the **insured person** is aware of their obligations under this **policy** and that they agree to abide by them as if they were a party to it.

If **you** and/or the **insured person** fail to comply with a) and b) above then no cover will be provided under this **policy**.

The **insured person** must comply with the following conditions for cover to be provided under this **policy**.

2. Insured person’s responsibilities

- a) The **insured person** must give proper and careful consideration to any legal advice that either **we** or the **legal representative** give them. Where that advice is to accept or make an offer to settle the **claim** or to discontinue it, and where the **insured person** rejects that advice, **we** may withdraw cover under this **policy** for any **adverse costs** or **fees and expenses** incurred after the date on which that advice was rejected. If the **insured person** fails to give instructions within 7 days of receiving the advice, then it will be deemed to have been rejected and (unless **we** agree otherwise) cover will cease thereafter.
- b) The **insured person** must:
 - i) notify the **claim** to **us** by no later than the 90th day after the **road traffic collision** that gave rise to the **claim**;
 - ii) promptly tell **us** (or the **legal representative**) about any matters that might affect the prospects of success in the **claim**, the amount of damages that are likely to be recovered, or the amount of the costs of the **claim**;
 - iii) keep **us** informed (or ask the **legal representative** to keep **us** informed) of the progress of the **claim**, and in particular, whether any offers have been made or are proposed;
 - iv) obtain **our** written **consent** before any **Part 36 offer** or other offer of settlement made by the **opponent** is rejected;
 - v) cooperate with **us** and with the **legal representative**;
 - vi) take all reasonable steps to keep any **adverse costs** and **fees and expenses** as low as reasonably possible (for example: by providing an accurate and truthful description of the circumstances of the road traffic accident that led to **your claim** and the **uninsured losses** arising from it);
 - vii) give the **legal representative** instructions that allow them to do their work properly (for example: by supplying any information or documentation requested by **us** or the **legal representative** promptly);

Policy conditions cont'd

- viii) not deliberately mislead **us** or the **legal representative**;
 - ix) not exaggerate the **claim** or bring any false or contrived **claim**;
 - x) attend court when asked to do so; and

- c) Where the **insured person** fails to comply with responsibilities b.x) or b.xi) then cover will cease in the sense that **we** will pay no **adverse costs** or **fees and expenses** incurred from the date on which the failure to comply took place. The same is true of responsibilities b.ii) to b.iv) save that the date on which cover will cease will be the date upon which the **insured person** ought to have complied with those obligations. Where there has been a failure to comply with any of the responsibilities described at b.v) to b.vii) then **we** will pay no more than the amount **we** would have paid had the **insured person** complied with those obligations. Where there has been a breach of responsibilities b.viii) or b.ix) cover will cease entirely and with retrospective effect.
- d) Where **we** have paid **adverse costs** and **fees and expenses** incurred during a period when cover had ceased or did not exist, then the **insured person** will be liable to repay those monies; for the avoidance of doubt, the **insured person** will be deemed to have received them notwithstanding the fact that they may have been paid directly to the **opponent** or the **legal representative**.
- e) Where appropriate, the **insured person** must act upon any order for costs promptly;
- f) The **insured person** must not do anything to impede negotiations about costs or any assessment of costs;

3. Legal representation

- a) This **policy** provides cover for **fees and expenses** and **adverse costs**. In the event of a **claim** **we** will nominate a **legal representative** from **our** panel to represent the **insured person**. If **you** disagree with the **legal representative** **we** have proposed, **you** are entitled to ask **us** to nominate an alternative representative. **We** will take into consideration any particular requests **you** might have (such as the requirement for a **legal representative** who is local to **you**) in selecting a **legal representative**.
- b) The **insured person** has the right to choose their own **legal representative**. In particular:
- i) Where recourse is had to a lawyer (or other person having such qualifications as may be necessary) to represent or serve the interests of the **insured person** in any **claim**, the **insured person** shall be free to choose that lawyer (or other person); and
 - ii) The **insured person** shall also be free to choose a lawyer (or other person having such qualifications as may be necessary) to serve their interests whenever a conflict of interests arises.
 - iii) 'In any **claim**' means that proceedings have begun or are about to begin.
- c) Unless **we** agree otherwise, the **legal representative** must agree to work under **our** standard terms of appointment. **Our** terms of appointment outline the service standards to which **we** expect the **legal representative** to adhere and may place a restriction on the amount that they are

Policy conditions cont'd

permitted to charge in respect of the work undertaken on **your** behalf. A copy of **our** standard terms of appointment is available on request. If **you** would like to receive a copy of the terms please contact **us** at the details shown in the section titled 'Making a claim'. If the **legal representative** does not agree to **our** terms of business then **we** will not be able to **approve** their appointment and **you** will be required to nominate an alternative **legal representative**.

- d) Where **you** have elected to use **your** own nominated authorised professional **you** will be responsible for any professional **fees and expenses** in excess of **our** standard professional **fees and expenses**.
- e) Where **we approve** a **legal representative** and where that person agrees to abide by **our** standard terms (or other agreed terms), that person must enforce any right to payment under this **policy** directly against **us** and only against **us**.
- f) If **we** believe that **your** choice of **legal representative** lacks the skills to win the **claim**, **we** will be at liberty to decline to **approve** the **claim** on its merits, but only if **we** have told the **insured person** about **our** concerns and given them the opportunity to choose a different **legal representative**.
- g) The **insured person** must give **us** direct access to the **legal representative** and must authorise them to tell **us** about the **claim**, its merits, its progress, and any other relevant matter.

4. Particular circumstances

- a) **Our consent** is required in all of the following circumstances:
 - i) Where it is proposed to discontinue the **claim**;
 - ii) Where it is proposed to take any course of action (including settling the **claim**) that would be likely to result in the **insured person** having to pay **adverse costs**;
 - iii) Where it is proposed to have costs (including **adverse costs**) assessed by way of a detailed assessment (but not provisional assessment); or
 - iv) Where it is proposed to agree the amount of **adverse costs**.

Consent will not be refused without good reason, but if the proposed course of action is not one that can be pursued in a proportionate manner, then **consent** may be withheld.

In determining whether a **claim** can be pursued in a 'proportionate manner' **we** will consider whether a person would consider the costs reasonable, if they did not have legal expenses insurance, and were financing their own legal costs. **We** will consider points including:

- the amount being claimed;
- the value and issues in question of the **insured person's** case;
- the **insured person's** location and that of the other party;
- the legal costs and expenses **we** would expect a **legal representative** appointed by **us** to charge.

Where **consent** was required but was not obtained, cover under this **policy** will cease with retrospective effect.

Policy conditions cont'd

- b) Where the **opponent** has made a **Part 36 offer** and where the **insured person** has been ordered to pay **adverse costs** (or agrees, with **our** prior written **consent** to pay **adverse costs**) as a result of them having failed to recover more than was offered, then:
 - i) Subject to the provisions in ii) below, **we** will pay the **adverse costs** regardless of whether they are (from the **opponent's** point of view) to be set-off against damages or other costs; and
 - ii) Where the extent of cover has been limited by the operation of paragraph 2.c) above, then if and to the extent that cover continues to apply, **we** will pay **adverse costs** only if and to the extent that the net sums payable (i.e., after any set-off by the **opponent**) exceed the amount of damages recovered.
- c) Where the court orders the **insured person** to pay (or where the **insured person**, with **our** prior written agreement, agrees to pay) **adverse costs** notwithstanding the fact that they are also to receive costs, then:
 - i) Subject to the provisions in ii) below, **we** will pay the **adverse costs** regardless of whether they are (from the **opponent's** point of view) to be set-off against damages or other costs; **we** will also pay the **fees and expenses**; and
 - ii) Where the extent of cover has been limited by the operation of paragraph 2.c) above, then if and to the extent that cover continues to apply, **we** will pay **adverse costs** and **fees and expenses** only if and to the extent that the net sums payable (i.e., after any set-off by the **opponent**) exceed the amount of damages recovered.
- d) Where, by agreement or by order, a **partial costs order** is made, and where this is a result of the court having reduced the amount payable to the **insured person** to take account of **adverse costs** payable by the **insured person**, then **we** will not be liable to pay those **adverse costs** unless the court has quantified those costs or made an order that will allow those costs easily to be quantified.

5. Limits on cover

- a) The maximum amount that **we** will pay in any single **claim** shall be £100,000.
- b) The indemnity provided by this **policy** for **adverse costs** or **fees or expenses** will exceed the amount that would be assessed as being reasonable upon an assessment of costs on the standard basis. Under the 'standard basis' of costs assessment the court will only allow costs which are proportionate to the matters in issue and will resolve any doubt it may have in favour of the party claiming those costs, as to whether costs have been reasonably incurred and/or that they are reasonable and proportionate.
- c) The maximum hourly rates that **we** will pay any **legal representative** will depend on the geographical location of the **insured person**; the categories of location used follow the format of The Guide to the Summary Assessment of Costs:
- d) If the **insured person** lives in London (Bands 1, 2, or 3), the maximum hourly rate payable will be £150 per hour;
- e) If the **insured person** lives in National Band 1, the maximum hourly rate payable will be £120 per hour; and
- f) If the **insured person** lives in National Band 2, the maximum hourly rate payable will be £105 per hour.

Policy conditions cont'd

6. Recovery and quantification of costs in the claim

- a) Where appropriate, the **insured person** must act upon any order for **adverse costs** by notifying **us** promptly and obtaining **our** written agreement to the course of action that should be taken.
- b) The **insured person** must not do anything to impede any negotiations about costs or any assessment of costs.
- c) Where **we** are liable to pay **adverse costs**, then the **insured person** agrees to allow **us** to conduct a detailed assessment of those costs in their name (but at **our** cost).
- d) Where **we** are liable to pay **fees and expenses**, then the **insured person** and the **legal representative** agree to allow **us** to have those costs assessed in **our** name, such assessment to take place on the standard basis. Under the 'standard basis' of costs assessment the court will only allow costs which are proportionate to the matters in issue and will resolve any doubt it may have in favour of the party claiming those costs, as to whether costs have been reasonably incurred and/or that they are reasonable and proportionate.

Notices

By accepting the benefits of this **policy**, the **insured person** agrees that they have been given notice of the right to choose a **legal representative** (see paragraph 3.c).

- 2) The insured incident must be reported to **us** within 48 hours of occurrence and must be subject to a **claim** under the **insured person's** own **motor insurance policy**.
- 3) The **insured person** must abide by the **hire firm's** terms and conditions of hire at all times during the **hire period**.
- 4) The **insured person** must pay the insurance excess arising on any **claim** relating to the **substitute vehicle** which arises during the **hire period** or pay a collision damage waiver. Full details of this will be made available before hire commences.
- 5) **We** will select a **hire firm** for **you** and arrange for them to supply a **substitute vehicle** suitable for **your** needs.
- 6) The **insured person** must agree to **our** trying to recover the **vehicle hire costs** in his or her name from any third party from whom they may be recoverable, including if necessary by issuing and pursuing civil legal proceedings, or including the **vehicle hire costs** in any **claim** for other losses being pursued in the name of the **insured person**.
- 7) **We** can take over and conduct such a **claim** and/or proceedings in the **insured person's** name at any time. **We** can negotiate any such **claim** on behalf of an **insured person**.
- 8) Any **vehicle hire costs** recovered in such a **claim** must be paid to **us** or to **our** order.
- 9) **You** must keep **us** fully informed at all times of all matters relating to the insured incident and in particular must notify **us** immediately if an **insured vehicle** which has been stolen is recovered or if **you** receive a cheque in settlement of the value of an **insured vehicle** which has been **written off** or if an **insured vehicle** is rendered driveable.
